

## Equivalence of CONIPUR and FLEXIPISO Systems

12<sup>th</sup> July 2011

Dear Carlos,

We are pleased to confirm to you that the following Flexipiso systems are equivalent to the following Conipur systems. Both contain the corresponding products (e.g. Primers, binders, coatings or sealing lacquers) as defined in the Conica Sales literature under the correct consumption rates.

Flexipiso system	Conipur system
FSD-S	Conipur 1S
FSD-SS	Conipur SP
FSD-SSI	Conipur ISP
FSD-SE	Conipur 2S
FSD-E	Conipur EPDM
FSD- IN	Conipur HG
FSD-TE	Conipur Tennis Force

Conipur SP, Conipur ISP, Conipur 2S & Conipur EPDM meet the requirements of both DIN 18035-6 and the IAAF performance specification.

Please do not hesitate to contact us should you have any questions.

Best regards,
